

We the undersigned, as Citizens of Teton County, expect that the Comprehensive Plan will be revised to reflect the following:

Wildlife and Open Spaces, values this community has cherished for decades, will be reinstated as the Community's top priority and become the organizing theme of the entire Plan.

To preserve these values and our Small Town Character we will not support any plan which doubles residential and commercial development.

Questions - 733-6986

We the undersigned, as Citizens of Teton County, expect that the Comprehensive Plan will be revised to reflect the following:

Wildlife and Open Spaces, values this community has cherished for decades, will be reinstated as the Community's top priority and become the organizing theme of the entire Plan.

To preserve these values and our Small Town Character we will not support any plan which doubles residential and commercial development.

Questions - 733-6986

Wildlife and Open Spaces, values this community has cherished for decades, will be reinstated as the Community's top priority and become the organizing theme of the entire Plan.

[illegible]

Questions - 733-6986

We the undersigned, as Citizens of Teton County, expect that the Comprehensive Plan will be revised to reflect the following:

Wildlife and Open Spaces, values this community has cherished for decades, will be reinstated as the Community's top priority and become the organizing theme of the entire Plan.

To preserve these values and our Small Town Character we will not support any plan which doubles residential and commercial development.

[illegible]

This petition will be delivered at the first Joint Planning Commission meeting in June.
